

Cascades of the Sierra Hosts Holiday Open House for Realtors

RENO, Nev.—Cascades of the Sierra, a 240-apartment continuing care campus now under construction in the Spanish Springs area of Sparks, will host a holiday open house for realtors at its welcome center on Thursday, Dec. 11, from 11:30 a.m. to 1:30 p.m. The open house is focused at realtors in the area and will cover Cascades of the Sierra's Partners program.

The Partners program offers local realtors the opportunity to earn cash for referrals to the community under certain criteria.

The welcome center is located at 100 Neighborhood Way, adjacent to the community's future site at 275 Neighborhood Way. The center provides visitors a look at the layout, interior finishes and amenities of Cascades of the Sierra. Cascades of the Sierra will include 120-independent living, 96-assisted living and 24-memory care apartments.

Cascades of the Sierra will have three stories of apartments built on seven acres approximately 10 miles from downtown Reno and 40 miles from Lake Tahoe. Cascades of the Sierra will feature breathtaking, panoramic views of the Sierra foothills and an elegant lifestyle. The community will offer residents resort-style amenities and services, including a large health and fitness center with state-of-the-art facilities.

Please drop by the open house to enjoy free refreshments and a look into what Cascades of the Sierra has to offer when it opens in the spring of 2009. For more information, call 775-530-3798 or visit www.cascadeliving.com.
