Laure Letter – July 2024

Happy Fourth of July from Sierra Del Sol. I love this community. I am sitting here in my office listening to the hubbub in the front Lobby. There is nothing better than listening to your residents laughing and chatting away. Last night I had another reflection of what an awesome team we have here at Sierra Del Sol. What it made me think of is the saying that “It takes a Village”.

We have the amazing Sales Team that does an excellent job in getting people to see the true value that we offer here at Sierra Del Sol.

We have the Wellness Team that goes above and beyond to make sure that we plan for a great care experience and then carry it out.

Now the Maintenance staff are the ones that make these beautiful apartments the homes that they turn out to be! All beautiful, freshly painted and carpeted. Any problems – no worries, they have it covered with a smile!

Housekeeping? Oh, my Goodness! How do they do it? This community is the cleanest in town!

Food Service –Food Service is always open to trying new recipes. Always open to constructive criticism – can you imagine pleasing 100 people that have been cooking for themselves for 60 plus years! But somehow, we balance it out!

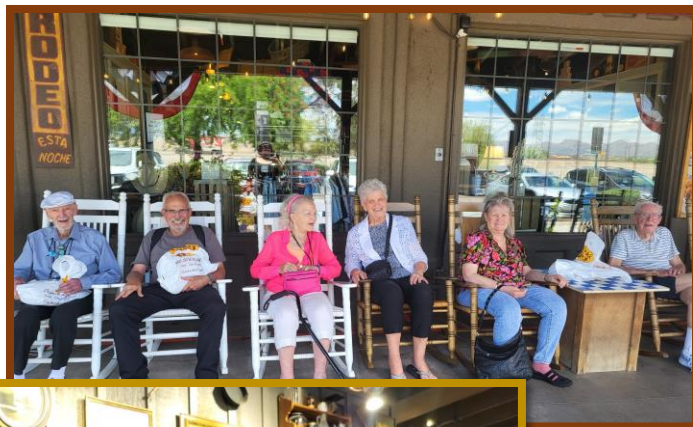

The Life Enrichment Team is always trying to come up with new things to make our ever-changing population happy! Recently we started having more Men based activities to keep our increasing Men population on their toes! Always open to new ideas!

Finally, we have the amazing Office Team – Talk about customer service!

Thank you to The Village for doing whatever it takes to make our resident happy. As I always say – if something is wrong, we want to know because our goal is to make all our resident’s lives the best that it can be!

Thank you, Residents of Sierra Del Sol, for choosing our community. We are honored to have you in our lives! Don’t forget to refer a friend and take advantage of our Good Friends Make Good Neighbors referral bonus!
