Good Friends Make Good Neighbors Program

From our elegantly appointed interior and beautifully maintained grounds to the exceptional healthcare programs and services provided by our professional staff, residents who introduce Cascade Living Group's Living Well philosophy to their friends or family members could receive credit(s) applied toward their rent.

How It Works

When a resident or family member refers a new potential resident* to a Cascade Living Group community and that person moves in for at least 90 days, the referring resident will receive a \$4,000 credit applied to their base rent.

**In order to qualify as a new potential resident, the person being referred must not already be on our contact list. To make a referral and to ensure you receive proper credit for making the introduction, please provide your name and the name of your friend or family member to our Executive Director or Director of Sales and Marketing prior to the inquiry or tour.*
