### Meet our Team:

Alina is our Associate Wellness Director; she has been with us for a few months. She has been a nurse for 11 years. She is excited to be working with Cascade Living. Most of my years of nursing have been in Skilled Level of care, memory care is a new adventure for her. When she is not working, I love to spend time with my 4 young kids, traveling and running a small floral business. She loves animals and all artsy things especially music, flower arranging and gardening. What brings a smile to her face is making others feel heard and wanted.
