We had a great time at the walk to end Alzheimer's in Salem.

We all had a great time at our Luau.

Even our Associate enjoyed the Luau.

Resident & Associate of the month of September

We love making our own lays.

Our resident of the month is Laura.

Kylah choose Laura has our resident of the month because she makes her smile, and she is so sweet. And she wishes she could be her grandmother.

Our Associate of the month is Kylah.

Kylah is one of our care associates. She has been here for over six months. She stated that there are many reasons I love and decided to do the job I do. I love to try and help understand the world again, a passion I have for this is making my residents look there best and feel their best. And felling in as their family and ensure they can count on me. And I decide to do this job is the stories I'm told; some are the absolute funniest stories I've ever heard. Some of them about what they did growing up, some are about the wars. The stories never ending and it's always an adventure in this job filed. I love the people I take care of and what I do in for them.

Kylah will go out of her way to ensure all the residents look their best and well taken care. Thank you, Kylah, for all you do and for making the residents at Jefferson look and feel their best.
