

Notable Quotable

“You can’t get a cup of tea large enough or a book long enough to suit me.”

~ C. S. Lewis (born November 29, 1898)

November Horoscopes and Birthdays

Those born between November 1–21 are passionate Scorpios, considered the most intense sign in the zodiac. While on the outside Scorpios are calm and composed, inside they are forceful, emotional, determined, and ambitious. If you were born between November 22–30, you are Sagittarius, the Archer. Archers are optimistic, energetic, generous, and honest. They enjoy

exploration and keep an open mind during new encounters.

Good Friends Make Good Neighbors!

Good Friends Make
Good Neighbors Program

From our elegantly appointed interior and beautifully maintained grounds to the exceptional healthcare programs and services provided by our professional staff, residents who introduce Cascade Living Group's Living Well philosophy to their friends or family members could receive credits applied toward their rent.

How It Works

When a resident or family member refers a new potential resident* to a Cascade Living Group community and that person moves in for at least 90 days, the referring resident will receive a \$4,000 credit applied to their base rent.

*In order to qualify as a new potential resident, the person being referred must not already be on our contact list. To make a referral and to ensure you receive proper credit for making the introduction, please provide your name and the name of your friend or family member to our Executive Director or Director of Sales and Marketing prior to the inquiry or tour.

It's with complete honor that I write about our Veterans at Waterford Grand. We want them to know how much gratitude we have for their time of service, for their sacrifices and their hardships. We want them to understand how much we admire them for their bravery, and unconditional loyalty for our country and freedom. Thank you.

Waterford Grand proudly acknowledges our men and women of service:

Judy is our chosen Employee of the Month. We are so grateful to have her working with us these last 10 years. She knows the mechanics of Waterford Grand better than anyone, and with her at the front desk, we always know we are in good hands.

Thank you for your support, service and dedication to Waterford Grand and its resident's, Judy. You are amazing!

Another name for a pun is paronomasia.
Puns are a form of word play.

Pun Fun Day

November 8 is a day to turn our groans and guffaws into laughter: it's Aid and Abet Puns Day. Why would we want to encourage punsters to make their dreadful jokes? Because a good pun is a masterful, intelligent, and playful use of language, unlike these examples:

Becoming a vegetarian is a huge missed steak.

I couldn't figure out how to use my seat belt, but then it clicked.

The person who invented the door knocker won the "No Bell" Prize.

Did you hear the one about the broken pencil? Forget it. It's pointless.

Or perhaps take this quip from the King of Puns: "It looks like another reigny day."
