Good Friends Make Good Neighbors Program

Seniors love living at Inland Point and since our residents are often our best spokespersons, we've created this Program to show our appreciation.

When an Inland Point resident or family member refers a new potential resident* to a Cascade Living Community and that person moves in for at least 90 days, the referring resident will receive a \$1000 credit applied to their base rent.

*In order to qualify as a new potential resident, the person being referred may not already be on our contact list. To make a referral, and ensure you receive a credit for making introduction, please provide your name and the name of your friend or family member to our Executive Director or Community Relations Director prior to the inquiry or tour.

Rails of Adventure

On January 17, Cable Car Day, cable cars all over the world will garner attention. Cable cars use cables to pull them up or lower them down. San Francisco's iconic cable cars are moved by a system of cables underneath the street. The high-flying cable gondolas of Rio de Janeiro carry people to the Christ the Redeemer statue atop Mount Corcovado. The valley of Gulmarg-the Himalayan "meadow of flowers" in India's Jammu and Kashmir regions-boasts the second-highest cable car ride at 13,500 feet. One of the longest cable car rides is in Switzerland's Alps. The 19- minute journey from the village of Grindelwald to Männlichen allows visitors to enjoy the rugged Alps without a pair of hiking boots!
