Associate and Resident of the month

Sabrina and David!

Sabrina chose David as resident of the month because when he smiles it shines in his eyes. He is very sweet, and an emotional person. He can get super rowdy when he wants to and has some funny offhand comments.

Sabrina likes working at Jefferson Lodge because of the residents. She enjoys giving them the love and care they deserve. She said "I want to make a difference, it's easy to understand why they get mean, and it's worth learning about them."

Sabrina was chosen as resident of the month because she has a great attitude and will jump in wherever she is needed. She often says she feels like a pinata because she always has candy in her pockets to hand out to residents. She is truly an amazing care associate.

Bryan Rees

Bryan has worked for cascade living for 3 years in April. He likes working in memory care because of the residents and their stories. Bryan worked in every position but not as a nurse. He worked custodial, as a care associate, cook, he worked at the front desk, even social services. He is now our Executive Director. We are very glad to have him as a part of our team!
